'A day in the races': Formula E arrives in Madrid

The club 'Evolution Electric Car Club' organizes an event to follow live the final event of the contest that will broadcast 'AS.com'.

AS Motor June 27, 2016 18: 23h CEST

The club for the promotion of sports cars in its 100% electric version, zero emissions, '**Evolution Electric Car Club**' organizes the event '**A day in the races' Formula e London**. On the occasion of the last event of the current edition of the 100% electric single-seat championship, '[London Formula-e-e-Prix](#)', via **AS.com** .

The sustainability ambassador, Ricardo Fraguas Poole, a journalist dedicated to the promotion and dissemination of renewable energies and sustainable mobility, will comment directly on the [Formula-E race](#) from the **Palacio de Navas in Madrid, home of the Instituto de la Ingeniería de Spain**, along with the sports journalist Fernando Herrero and interview several personalities of the automotive and energy sector.

Next Saturday, July 2 will start the day with a **press conference at 10:30** in the morning in which will be given details of the creation of the first zero-emission routes in Spanish territory as the first action **also promoted by the club Evolution** .

Next, the broadcast will begin, broadcast by AS television, with the live commentary of the qualifying rounds and the interviews, to continue **the race from 16 hours**. The attendees will be able to appreciate the exhibited electric vehicles and participate in the various activities of entertainment and education that accompany the day.
